About This Game

Get Out is an immersive horror experience in the first person where you will play Carl, a rather strange subject, who has just aroused after hearing strange noises coming from his television.

Features

- Immersive survival experience, the only way to survive is to escape.

- The whole scenario environment is interactive, it looks for clues, it searches for the truth.

- The realistic environment will make you feel closer to terror.

- Audio 3D to be able to feel inside the game.

Get Out is an indie horror game that is inspired by real events.
